

“Rent a Show” at the Wiener Rathauskeller

Austria Dinner Show Orchestra

In our folklore version of the Rent-a-Show, our orchestra will spoil you with some of the best-known melodies from the western part of Austria. The lively "Landler" from the alpine area, the most beautiful sounds and also the fast-paced polkas of the region Salzburg - let yourself be enchanted when the musicians of our ensemble present musical treasures in a colourful show.

With a variable line-up of 4 to 5 musicians, our orchestra always offers the right "Austrian background" for small and large events.

Dinner with operetta melodies from Austria

From the Tyrolean mountains to Salzburg, via the Salzkammergut/region of lakes and the Wachau/Danube valley, our musical journey leads through the western part of Austria. In two show blocks, between the courses or at the time of your choice, the artist ensemble presents a varied and energetic collage from the operettas "Der Vogelhändler – The bird seller", "The White Horse Inn" and from "Sound of Music".

First-class musicians, 2 charming operetta singers and 2 enchanting dancers guarantee an unforgettable and authentic Austrian operetta evening.
